INSTRUCTIONS

This affidavit must be fully completed and submitted, along with the appropriate fee(s) for the renewal of an active real estate license. An actively licensed salesperson or broker is required to complete 30 hours of approved real estate education to renew the license. Licensees renewing on or after June 1, 2004 must include 3 hours of prescribed core curriculum in the 30 hours required for the renewal of an active license. Inactive licensees are not required to complete continuing education at the time of renewal.

Your name and license/certification number should reflect what is currently indicated on your real estate license. A name change may be indicated on the affidavit, as long as you include the name currently on your license. Please type or print clearly all information, with the exception of your signature.
